

Postdoctoral Fellowship: Aix-Marseille School of Economics

The Aix Marseille School of Economics (AMSE, <http://www.amse-aixmarseille.fr/en>) is inviting applications for five postdoctoral fellowships in economics. Applicants are expected to show outstanding commitment to research and must have obtained their PhD when taking up the position in September 2021. The positions are for three years, subject to a successful mid-term review.

For two of the positions all fields of Economics and Econometrics will be considered. Three positions will consider candidates working in the following fields

- The macroeconomic consequences of aggregate uncertainty, with a particular interest in models with heterogeneous agents,
- Risk and incentives, with a particular interest in financial networks or risk-sharing networks,
- Income inequality, with applicants expected to have experience in working with longitudinal individual datasets.

The Aix-Marseille School of economics provides a high quality research environment and provides fellows with appropriate research funds. Knowledge of French is **NOT** required.

The deadline for application is **February 25th 2021**. Applications should be made through the site <https://econjobmarket.org/>.

Online interviews will take place on **March 30th 2021**.
